

Woodbridge Ranches by Southern Homes

Set amidst Dade's sprawling ranch homes, this elegant enclave will feature just 66 luxury estate homes on builder's acre lots. These one and two-story residences range in size from four to eight bedrooms and from four to six-and-one-half baths. Each exclusive home features a three or four-car garage that is either side-loading, rear loading or angled to ensure garage doors do not mar the stunning front facade. Also, every home includes a stately covered entry, expansive covered terrace, cabana bath and huge rear yard. There are over 15 floor plans from which to choose and a selection of over 22 different exterior elevations in such styles as French Country, Country, Mediterranean and Florida Vernacular. Surrounded by Dade's interconnected equestrian trail system, this intimate community with pristine lake is a soothing sanctuary. While situated in a tranquil neighborhood, it is just five minutes away from the convenience of Weston Town Center, nearby fine dining, and top rated schools.
